

DASH contains 20,000 posted works

FAS theses and dissertations downloads

- 2013 had more downloads than the two previous years combined.
- 2014 is on track to double the number from 2013.
- In April-August 2014, more than 2x as many works were downloaded from DASH as loaned or renewed in the same months by all the Harvard libraries combined.
- Our single largest download day was September 11, 2014, with 11,769 downloads.
- The most popular work in DASH has been downloaded over 66,000 times.
- DASH averages 700 new titles per month.
